

ALLEN, Desmond Roy (Des)

Born: June 5, 1957, Mildura, Victoria, Australia.

Des began riding in his native Victoria as a 16 year old and joined Stoke in 1977 through his contacts with 'Potters' rider Tim Nunan who also hailed from Mildura. Des rode just once for the club at home to Newport on April 9, scoring a single point. Failing to secure a regular place at Loomer Road, Des moved on to join the newly formed Edinburgh 'Monarchs' and had a seven match run in the side before being displaced by the return from injury of Charlie Monk. He returned to Stoke later in the year but was unfortunate enough to break both legs in a second half crash.
