

APPLETON, Alan

Born: April 10, 1948, Reading, Berkshire, England.*

In an injury hit 1969 campaign, the King Lynn 'Starlets' used 27 riders in the 31 match league and cup programme, running into a succession of problems throughout the season. One of the riders to take advantage of the situation was Alan Appleton, a 21 year old second half rider who was selected for his league debut against the Belle Vue 'Colts' at Saddlebow Road on September 28. Alan failed to score from his three rides and was replaced by the time the next meeting was held against Crayford two weeks later.
