

ASHCROFT, Bill

Although Bill was not part of the Birmingham Perry Barr side who competed in the club's first ever league fixture, he was soon in the team and held his place for the rest of the season. He dropped just one point in his two rides in the home fixture against Haringay and followed this up the following week by winning both his rides against Southampton two weeks later. He was not the highest scorer in the side that season but was a useful scorer and did not return for the 1930 season.
