

BEARDSALL, Stanley (Stan)**Born:** England.

A pre-war junior at Sheffield, Stan rode briefly in the immediate post-war years for Glasgow, Bradford and Wigan before finally securing regular rides in Division Three with Wombwell. He finished third in the 'Colliers' list of scorers in 1948 and had a spell as club captain, but was forced to move on when the Yorkshire side closed at the end of the season. A move to Fleetwood brought little success for Stan and he drifted out of the sport, although he was seen on the track again in the 1950s, racing midget cars on the northern circuits.
