

BEECROFT, Don**Born:** Australia.

Don had experience of racing on various tracks in Australia, including Mackay and Rockhampton in Queensland, and tried his luck with Crewe in 1971. He made his debut for the 'Kings' at Canterbury on April 17 and rode just two more fixtures for the Cheshire club – at Eastbourne and Berwick. Don failed to score in any of these three matches and never rode for Crewe in a home fixture. He returned to Australia at the end of the season having not made the grade.
