

BESSENT, Michael Leonard (Mike)

Born: January 28, 1955, Kingston, Surrey, England.

A former Eastbourne junior, Mike moved to Crayford when it became clear that the abundance of talent on display at Arlington was going to hinder his progress in the sport. He had only ridden three times for the 'Eagles' in 1975 but found the going much easier at London Road and quickly became a regular with the 'Kestrels', generally filling a reserve berth. His best night was a paid eleven score against Mildenhall at his home track but he quit the sport before the 1978 season got under way.
