

CARLING, Ronald (Ron)

Born: 1907, Middlesbrough, North Yorkshire, England.

Middlesbrough was a hot-bed of motorcycling talent in the late 1920s which worked both ways for the speedway careers of riders like Ron Carling. The opportunities to race in league speedway were there for local riders but there was a queue of men with a similar ability waiting for the team place of riders who were in the team but had not immediately hit star quality. This was the case with Ron who was given a chance in the early meetings of the season but was dispensed with after just a handful of meetings.
