

**CHICK, Alfred Cedric (Alf)**

**Born:** 1908, Fulham, London, England.

Alf was born in London and emigrated to Western Australia as a child. He returned to the U.K. in 1929 and signed for Wembley but was something of a disappointment and rode in only a handful of matches for the Empire Stadium side. He was a qualifier for the Overseas section of the Star Championship that year but his match race against Stan Catlett was never held.
