

COURT Roy D.

Born: 1920, Basingstoke, Hampshire, England.*

Died: August, 1949.

Roy worked for the Wimbledon star Mike Erskine in his Southampton garage, but was also a rider in his own right – appearing for Oxford in their first season in the sport in 1949. He was one of many men to be tried by the ‘Cheetahs’ and was discarded after riding in three matches for the club in one week in May. Roy was tragically killed in a road accident on his way to work in August that year.
