

CROUCH, Stanley (Stan)

Stan was part of the first ever Cradley Heath side to race in a league meeting and appeared in the first four official fixtures of the 1947 Third Division campaign. He contributed eight points, scoring in every meeting, but was then replaced by Belle Vue loanee Bob Fletcher. He stayed around the non-league scene for some time riding for Rayleigh in 1948 and later with High Beech, but did not make any further league appearances.
