

CRUTCHER, Thomas S. M. (Tom)

Born: 1912, Wimborne, Dorset, England.*

Died: December, 1947.

Tom was the father of World Finalist, Brian Crutcher - one of England's leading riders of the 1950s - and was a member of the Exeter side in the 1947 Third Division. A regular in the team that year, Tom had a top score of ten at home to Plymouth in the local derby match in July and scored a total of 63 points in 18 matches for the 'Falcons'. Sadly, he was killed in a road accident in December that year.
