

DEAKIN, Ezra Clarence (E.C.)

Born: August 10, 1909, Worksop, Nottinghamshire, England.

Died: 1999

A regular competitor in the Warrington side in the English Dirt-Track League in 1929, Ezra was a useful performer in the side at the Arpley track and was particularly handy at his home circuit. He scored a paid maximum at home to Belle Vue in June but his scores were later expunged from the records when Warrington withdrew from the league towards the end of the season.
