

EWEN, Frank S. (Dank)

Born: circa 1895.

Frank hailed from the Oldham area of Greater Manchester and was one of the older riders to take up the sport and started the 1929 season with London track, White City. He kept his place up until the end of August and averaged just less than a point per ride in those 12 fixtures. He went to Argentina with a group of riders at the end of the season to try and establish the sport there but did not return to league action in 1930.
