

GREAVES, Robert (Bob)

Born: June 16, 1925, Leicester, Leicestershire, England.*

A second half rider in the initial year of post-war speedway at Coventry, Bob made three appearances for the 'Bees' and boasted a top score of five, paid six on his debut at home to Plymouth in May 1948. However, Bob was dropped for the next match and made just two other appearances before the end of the season. He did, however, spend much of the 1949 season riding in Spain as a member of a touring party which included Cliff Crothers.
