

## HAZZARD, Sidney Bernard (Sid)

**Born:** January 4, 1913, Bournemouth, Hampshire, England.\*

**Died:** 1999.

A former grass track rider, Sid was a regular member of the Exeter side in 1947 and proved to be a very capable performer at Division Three level, scoring particularly well at his home County Ground circuit. Being from the Bournemouth area, it was natural that Sid should want to join his local track, Poole, when they opened for business the following year and figured in a £60 transfer between the two clubs. However, he had a season disrupted by injuries and his form was not as he might have hoped, although he did record a score of twelve, paid 14, against Yarmouth in the first ever match at Wimborne Road. Sid later had a spell as manager of the 'Pirates'.
