

HEWITT, Joe (Ash)

Born: c.1921, Norwich, Norfolk, England.

A junior rider at both Norwich and Yarmouth, Ash's league outings were limited to five appearances for the 'Bloaters' in 1948. He failed to score from two rides at Wombwell in August and scored but a single point in each of his other four appearances. Ash remained around the Norwich second half and training school scene for several years but did not break back into league racing.
