

DERISLEY, Reginald Charles (Charlie Smith)

Born: August 31, 1919, Aylsham, Norfolk, England.*

Died: March 1, 2006.

Look in any old programme or record book for the name of Reginald Derisley and you will, in all probability, draw a blank. However, he was a Norfolk based second half rider who was in his late 30s when he made his official debut for Norwich in 1947, using the alias of Charlie Smith. Reginald also rode three matches for Yarmouth the following year but failed to open his account for the 'Bloaters'.
